### **Anthropologie & lululemon athletica to Open Locations at The Village at Meridian**

*The popular retailers are slated to open their doors in the coming months*

MERIDIAN, Idaho—August 14, 2014—The Village at Meridian has announced that two of the nation's most popular retailers in the world of women's fashion, Anthropologie and lululemon athletica, will both open new stores at The Village at Meridian in the coming year. Anthropologie is setting its sights on a Spring 2015 opening, while lululemon is hoping to open a bit earlier in Fall of this year.

"We are beyond excited that both Anthropologie and lululemon have chosen The Village at Meridian to open new Treasure Valley locations," says Hugh Crawford, general manager of The Village at Meridian. "We already have a fantastic selection of high-end home goods and women's apparel at The Village and these stores will add a new dimension to our current offerings."

Georgia-based [Anthropologie](#) is celebrating its twentieth anniversary this year, and continues to focus on creating a destination for women wanting a curated mix of clothing, accessories, gifts and home décor. They currently have over 175 stores throughout the United States, Canada and United Kingdom.

Anthropologie is slated to be on the south side of Fountain Square, neighboring popular retailers Sur la Table, Brighton Collectibles, LOFT and Soma Intimates, among others.

[lululemon athletica](#), headquartered in Vancouver, British Columbia, began in 1998 by sharing its retail space with a yoga studio. Over time they have grown to be one of the most recognized brands in women fitness the world over. They specialize in making technical athletic apparel for yoga, running, dancing and most other sweaty pursuits.

lululemon, whose construction is already well under way, will be located on the north side of Fountain Square, next to Go Lite and the soon-to-open LUSH and Buckle.
