Matador Restaurant Opening Second Location, Casa Del Matador, at The Village at Meridian

Grand opening August 17 of the Casa Del Matador Restaurant and Tequila Bar

MERIDIAN, Idaho – August 12, 2015 - Casa Del Matador invites neighbors in the Meridian area to help celebrate the grand opening of their new location with made-from-scratch Mexican inspired cuisine, handcrafted margaritas, the valley's best tequila collection and world-class hospitality on Monday, August 17. All our restaurants, including the new Casa Del Matador, are designed by co-founder, Zak Melang, and his team of artisans, designing many signature décor elements all of which are created in our custom wood and metal shop.

Brad Severe, local managing partner for both Idaho locations and a Boise resident, is excited to help with the introduction. "Casa Del Matador will open its doors with approximately 75 new team members all ready and eager to take great care of our guests. We are committed to providing an amazing place to have fun and work together, and we'll be hiring some of the best team members Treasure Valley has to offer."

Prior to opening, Casa Del Matador will be hosting a Benefit Night on Saturday, August 15, with all proceeds going to fund the future YMCA in Meridian. Residents of Meridian and fans of the YMCA may purchase tickets for \$30 each through the Meridian Chamber of Commerce. All guests will be treated to an array of made-from-scratch Mexican cuisine and a couple of their most popular Tequila-centric hand crafted cocktails.

"Casa Del Matador has tailored this restaurant to fit the guests and families that we welcome here at The Village," said Hugh Crawford, General Manager of The Village at Meridian. "We extend a warm welcome to Casa Del Matador and look forward to expanding the cuisine available for Village at Meridian guests."

About Casa Del Matador

All Matadors are owned by Opper Melang Restaurants, led by co-founders Zak Melang and Nate Opper. The first location opened in 2004 in Ballard, WA, and the concept has since extended throughout Washington, Oregon, Idaho and Colorado.
