Noodles & Co. specializes in a variety of family friendly foods, and will open on December 17th at The Village at Meridian. This location will be the first Noodles & Co in the State of Idaho. "This property is being built to be exceptional," said Hugh Crawford, General Manager of The Village at Meridian. "I am thrilled at the success our tenants have seen so far, and excited to see The Village become a bonafide community gathering place." Retailers like Big Al's, Gordman's, and Marshall's have been open since late summer/early fall, and national retailers such as Petco, Gap Factory Outlet, Nike Factory Store, and Chick-Fil-A have had record-breaking success during their first few months on the new property. This sets the pace for a thriving shopping experience leading up to a new set of openings in the Spring, and a property Grand Opening in October, 2013.
